YARD WASTE:

The Village will continue the pick-up of yard waste twice a year in April and October. This includes bagged leaves and pine needles, bundled twigs and sticks (no longer than 4') and branches small enough to fit in the Village truck. Byproducts of tree removal and large volumes of storm damage are the responsibility of the property owner. The dump is also open on Saturday morning from 8am-12noon, or by appointment.

Hixton Beautification News!

Hixton Beautification will be handling flower baskets differently due to Gathje's closing.

They are asking for a donation of \$50 to purchase a basket in memory of or to honor someone. You can send your donation and the name of the person to remember or honor to the Hixton Village Hall and it will be published in the June Newsletter. There will be 14 baskets in all. The ladies met their goals in donations to be matched. A huge Thank-You to all who donated for the matching funds. A special Thank-You to Gathje's for donating our hanging baskets in the past!
